- You have 3 months' bank statements to submit at the same time as your application form (1 month for top-up loans)
- You have provided proof of any income not shown on your bank statements
- If you have included a partner's income, they have signed the application form too
- You have provided us with the details for the bank account you would like your loan funds to be paid into if your loan is approved

## What happens next?

Once you have submitted your application with all of your supporting documentation, we will text you to let you know an estimated date that we hope to have a decision for you by.

Your expected decision date will depend on which loan product you are applying for, and the demand at the time you submit your application.

We will contact you once we have come to a decision. Please make sure you have provided your current contact details and bank details.
